RÉSILOFT RESIDENCE  
"BAY OF THE MOUNT-SAINT-MICHEL"  
TO BRÉCEY

RESIDENCE SERVICES FOR SENIORS  
*Pleasure of a retirement in all serenity!*

## *A single framework of life !*

### THE RÉSIDENCE

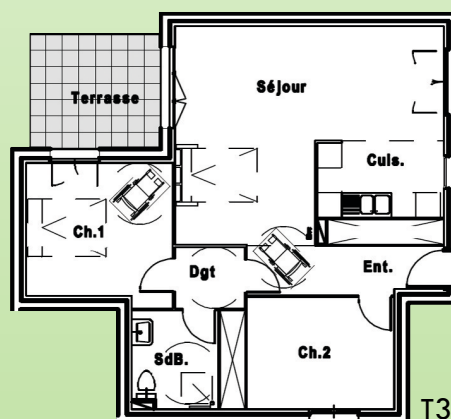

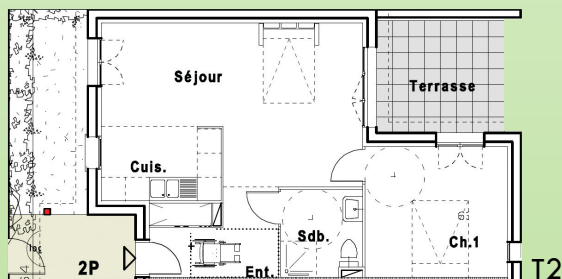

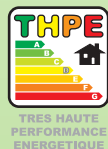

The Residence Résiloft in Brécey offers to the hiring 25 houses of lime pit foot located in a park made safe in full centre town, near to the trade and a medical centre.

Combining comfort, safety, serenity and user-friendliness, the residence services "Résiloft" is designed according to an original concept aiming at offering to customers of seniors a privileged place of life, in all independence.

### THE HOUSE

An special attention is given to your housing to improve each day : heating on the ground, broad doors, flattened windows, electric travelling shutters, Italian's shower, closed garage.

Of T2 and T3 from 50 to 67 m<sup>2</sup> with kitchen, bathroom and one or two rooms allow it maintenance in residence even in the event of reduced mobility; privative terraces and gardens are completely independent and offer a true space of relaxation. Raised and flowered, the qualified residence of Very Energy High Efficiency is integrated in the landscape of the Norman scrap-metal to offer to the residents a privileged place of life.

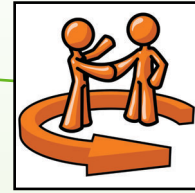

### THE CLUB HOUSE

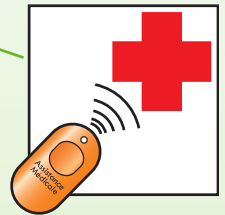

The Club House, commonplace of relaxation is equipped with a library, of an access Internet, a living room of plays and TV. With its kitchen equipped, it can be also used like room of reception (to receive the family, the friends, neighbors...) and lays out; a washing machine with great capacity, daily press, electricals appliance (scraper, cook on stone, barbecue...).
